Sponsorship Guide

Miss America

In the summer of 1921, on the boardwalk of Atlantic City, an American icon was born. For the past 100 years, Miss America has been one of the country's most recognizable household names and has been at the center of everything from social movements to the birth of television. The young women involved have made a significant difference in people's lives through their charitable and community service endeavors, using the national platform to educate millions of Americans on issues facing the nation. Miss America is more than a title, it's a movement of empowering young women everywhere to dream big, to insist that their voices be heard and to inspire change in the world around them. Of course Miss America wears a crown-- she rules.

Today, the Miss America Organization is a nationally recognized non-profit and serves as one of the largest providers of scholarship assistance to young women in the world. The mission to prepare great women for the world and prepare the world for great women comes to fruition through the thousands of young women across America working to better their communities through service and scholarship.
